## White dial

Ref : 60330-11-131-HDC0

A classical yet contemporary timepiece, this version of the 1681 features a small seconds indication. Housed in a polished and vertically satin-brushed steel case, the white lacquered dial features rhodium-coated baton indexes and matching hands with luminescent paint. The watch is equipped with the in-house manufactured JR1000 movement and comes on a cognac calfskin strap.
